INFORMATION DISCLOSURE STATEMENT

Applicants submit the references listed on the enclosed Form PTO-1449, copies of which are enclosed, with the exception of U.S. patents and U.S. patent application publications. A copy of a search report from a corresponding international application is also enclosed.

Submission of this statement is not a representation that a search has been made, nor is the inclusion of information in this statement an admission that the information is

material to patentability.

This statement is being filed after the mailing of a first Office action on the merits, but before the mailing of a final Office action or a Notice of Allowance. I, the undersigned, hereby certify that each item of information contained in this statement was first cited in a search report from a corresponding international application, dated November 20, 2006, which is not more than three months prior to the filing of this statement.

If there are any other charges or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,
